THIS IS CLEARWATER HIGH SCHOOL

FOREWORD

There will be a time when we will wish to turn our thoughts away from the present and the future, and look back upon the eventful happenings of the past school year. With the presentation of this 1960 AQUA CLARA, we hope to make this possible.

As we look back upon the past year, we find that we have many wonderful memories that will always keep the spirit of Clearwater High School alive in our minds and our hearts. The many experiences we have shared here, and the numerous friends that we have made, have all played a major part in our growth.

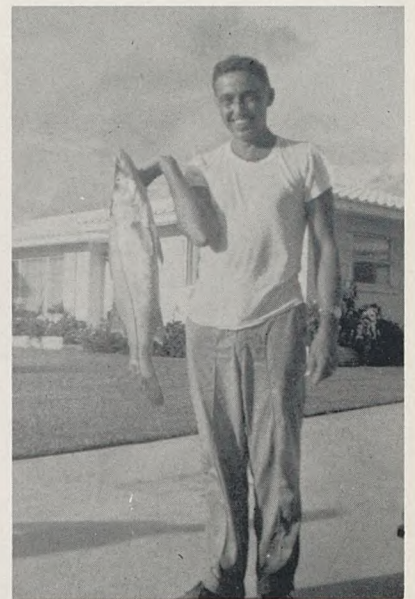

This school year has come to a close, although next year many of us will return to the halls of C.H.S. to further our high school education. But, for the seniors, the time has come for you to say a final good-bye to your Alma Mater. In time, your minds may grow dim, and your memories may fade away, but your annual will serve as a constant reminder of your years at Clearwater High. We hope you will cherish it always, for this annual is especially for you, and especially about you.

The Editor

With sincere admiration and appreciation for the countless hours of service you have given us and our school, we, the Senior Class of Nineteen Hundred and Sixty, dedicate our AQUA CLARA to:

Who, Me? nervous? . . .

Dig that crazy diagram

Each student, during his three years at C.H.S. spends 55 minutes a day, or a total of almost 540 hours, in English classes. During that time he learns to become quite proficient in sentence structure, spelling and vocabulary improvements, and creative writing. No one will ever forget those long themes, precis, autobiographies, or the big, important research papers.

Now, let's take a look at what the other half of our English course offers. From the literary standpoint, he becomes well acquainted with the great literature of the world, including that of England, and his own native America. Students have also been quite fortunate this year in having many great literary works reproduced on television.

DEPARTMENT

A degree in mathematics, leading to engineering, nuclear physics, teaching, and other related fields, starts early in one's school life. Here in Clearwater High the students add to their knowledge of mathematics by taking such courses as plane and solid geometry, Algebra I, II, and III, and trigonometry. The functional Mathematics courses are available also.

Two guides to good mathematics . . .

Got 'em all right, boys?? . . .

In accelerated courses, Statistics, calculus, polar graphing, the history of mathematics, and glimpses of modern mathematics are explored.

Basic mathematics provides an opportunity for students not particularly interested in mathematics to gain further understanding.

Another day, another Chemistry experiment . . .

Sputnik awoke America to the fact—this is the scientific age! We must be challenged, inspired, and guided to fulfill the science need. Chemistry classes take up the study of atomic and molecular structures of matter and the ways in which it is combined and decomposed. Physics surveys the forces and laws of nature. This course includes the study of matter and how it is affected by heat, sound, motion, and electricity. Physiology is an elective designed for seniors. It is a detailed study of the structure and functions of the human body. Physical Science is an introductory course including the study of astronomy, Physics, chemistry, and simple machines.

Spanish I, II, III, IV,
Los Gauchos.

C.H.S. students traveling to Mexico in 10 to 15 years will be sure to use the Spanish they learned here at school. C.H.S. offers a three year program of the study of Spanish. We not only learn the language, but also the Spanish customs. The first year Spanish students take up the basic rules of fundamental grammar with a great stress on reading and writing. During the second year, we get into the more advanced grammar and begin to use this knowledge of the language. The third year students speak fluently.

La Cucaracha! . . . La Cucaracha!

Students with a classical bent take Latin, the basis of such Romance languages as Italian, Spanish, and French. First year students enjoy reading stories about the life and times of ancient Romans. Caesar and Gallic Wars, along with more complicated grammar becomes the subject matter of second year students. Finally, the next two years, hardy classical students study the speeches and Virgil's Aeneid. Latin not only teaches a language but takes its students back into the past for a study of the Roman life and times.

MUSIC DEPARTMENT

One and Two and Three . . .

Believing that music belongs to everyone—the beginner as well as the talented—C.H.S. offers a varied musical program. General Music is for the person who is interested in music, but knows little about it. Mixed Chorus, a selected singing group, chosen for interest, ability, and willingness to work, sings at school functions plus many community programs. Madrigal Singers, a small and talented group, perform often for school and community.

Musically talented students interested in playing an instrument at C.H.S. may join either the Crimson Tornado Band, the Orchestra, or the String Quartet. The band offers instrumental music students an opportunity to further develop their individual talents and ensemble playing. Our Tornado Band plays at the football games, marches in all local parades, and provides a general boost to school spirit. The Orchestra provides music for many school functions, and the String Quartet often plays for community groups.

The Homemaking course in High School is planned to provide opportunities for understanding and skills needed for enriched home living. It takes more than a knowledge of "cooking and sewing" to become a successful homemaker. A three year course is offered at C.H.S. which includes Personal, Social, and Family Relationships; Home Care, Interior Decoration, Family Finance and Management; Clothing Construction and Textiles; Child Development; Home Nursing; and Food Preparation and Meal Planning.

A goal which each student is encouraged to work toward is a Home Economics award that is given each year to the most outstanding student in Homemaking and Future Homemakers of America.

INDUSTRIAL ARTS DEPARTMENT

Future engineers and architects . . .

Safety is a must! . . .

Our Industrial Arts program includes General Shop, Arts and Crafts, and Mechanical Drawing. General Shop students learn to make useful wood products. The Arts and Crafts course aims primarily to develop an ability in students to make useful things for themselves from ceramics, copper, other metals, and leather. It includes the development of an ability to use leisure time by filling it with profitable work. Mechanical Drawing has been called "the Language of Industry," but engineers, architects, and all designers use it to record their ideas. Mechanical Drawing teaches visual and constructive imagination.

We concede . . .

Speaking before others, calmly, without fear becomes the accomplishment of speech students in Speech I, II, and III. Students make extemporaneous and planned speeches. They study plays and correct speaking and listening habits.

Special selected students may take debate. Debate boys (no girls allowed) travel to various schools where they join with other students in a day of speech.

LIBRARY AND READING

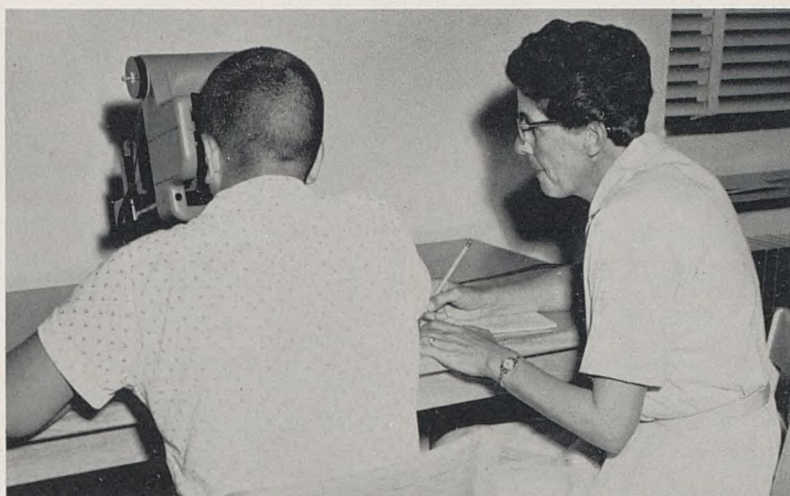

Oh where, Oh where is that little book? . . .

Anytime during the school day diligent students may be found using the library facilities. Whether it is reference materials or just an enjoyable book with which to relax, the student is sure to find what he wants. The Library is also the center of audio-visual materials used by teachers to enrich classroom experiences. Many students

are tested in the Reading Clinic adjoining the library, and some of these may be enrolled in reading classes. Here Mrs. Krug is using a Keystone Telebinocular to test a student's vision. With the cooperation and assistance of PTA and Lions Club, this department is well equipped.

This year the majority of the C.H.S. Crimson Tornado Band was composed of juniors and seniors. These students have worked hard this year to keep up the band's title of "Showband of the South." Each day they could be seen and heard practicing their varied marching drills which they performed at the football games. They also did a good job playing at our pep sessions in the school stadium. Throughout the year the band has participated in such parades as the 1959 Homecoming Parade, Gasparilla in Tampa, St. Pete's Festival of States, and Clearwater's annual Fun in the Sun.

The Drum Majors

The band has presented seven concerts during the year, including the Christmas Benefit Concert for needy families, and their annual Spring Concert. Among their money-making projects for the year were selling Christmas candy and sponsoring a Midget Auto Race. This money will help send the band to Washington, D. C. next year to participate in the National Cherry Blossom Festival Parade.

The C.H.S. Cadet Band has also participated in various programs this year. It is composed of sophomore band students. They practice hard during the year, working to become members of the Crimson Tornado Band.

Crowds in Central Pinellas Stadium saw their Tornados sweep the Canes off the field in a thrilling homecoming game. Two touchdowns in the last two minutes of play gave the Tornados their win over Northeast.

Our J.V. team must not be forgotten either. They decided to let nothing stop them and they did just that! Congratulations to the boys and their coaches who ended the season undefeated by any other team.

We were proud of our big Team and the fine work they did representing C.H.S. on the hardwoods.

The charging Tornado basketball team spun down the court overcoming their rivals. Attendance at home games always remained high. C.H.S. won the District AA Tournament, allowing them to participate in the State Tournament in Gainesville.

TRACK

In 1959 the track team placed third in Conference, second in District, and sixth in State. Frank Campbell won the Conference Mile, placed second in State Mile, and set a new school record in the Mile. Jerry Page won the Conference 100 yard dash, and together with Steve Brown, Jim Harper, and Eddie Morris set a new school record in Sprint Medley Relay.

This year our Tornado Track team started the practice off right by working out on the practically completed track, just begun this last summer. For the first time in the school's history, Clearwater was host to other Conference teams. The boys participated in the shot-put, discus, pole-vault, broad-jump, 100, 200, and 440 yard dashes, half-mile and mile distance runs, high hurdles, javelin, and high jump.

A rising track group and one we can expect to hear great things from in the future is the Cross-Country Track Team. In only their first year, they grabbed seventh place in state-wide ratings.

FIRST ROW—Lance Hubert, Gary Laurson, Weiland Rogers, Steve Brown, Jim O'Donnell, Jimmy Page, Rod Ferguson, Head Trainer. SECOND ROW—Hal Green, Ron Trease, Chip Padgett, Jerry Page, Don Elliott, George Patterson, Wayne Beetly, Bill Osborne, George Donatello, Kenneth Hazelton. THIRD ROW—Mike Beetly, Eddie Morris, Bennie Gosen, Fenn Magurno, Joe O'Donnell, Carl Neuman, Larry Hord, Mike Jergins, Jack Palmer, Terry Bolt, Keith McMullen.

BOYS' SWIMMING

FIRST ROW—Tom Duncan, Ed Parker, Greer Perkins, Joea Bionda, Rick Crankshaw, Robert Bliss, Jeff Pattenson, Hoel Buinand, Mike Martin, Mike Walbolt, Paul Boudrean. SECOND ROW—Dick Wickman, John Peabody, Bobby Spence, Jim Athenson, Tom Mylander, Jerry Galtz, Doug Cosby, Mike Evans, Dave Mulock, Don Walker, Evert Wilcop.

As soon as spring arrived, the boys for the swimming team began meeting every day after school at the Pier Pavilion for workouts and practice trials. They met schools from Tampa and St. Petersburg, both here and there, as they made the conference rounds.

In 1959, the boys' swimming team ended a 4-2-1 season with a third place notch in conference listings.

GIRLS' SWIMMING

Only in their second year of reorganization, the girls' swimming team looked forward to an even better season. Many members of last year's team returned. Included was Gail Palmer, who last year won the conference diving competition and placed third in the state diving contest.

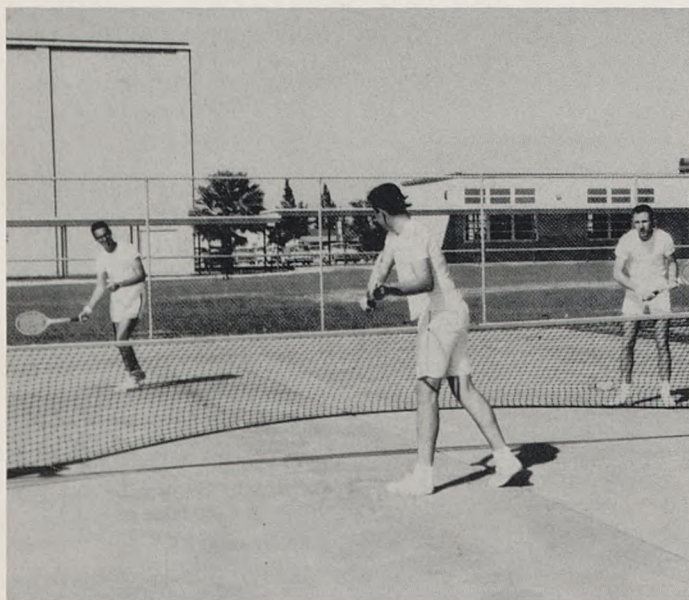

FIRST ROW—Annie Campbell, Darlene Masterson, Maureen Bowles, Vivian Morgan, Jean Sunds, Judith Hemerick, Nancy Blair, Christine Marty, Sharon Parker. SECOND ROW—Gail Palmer, Judy Frey, Linda Booze, Cary Bobo, Margie Little, Jane Ford, Judy Jean, Phyllis Blair, Shirley Kimrey, Pat Taplin, Sherry Nieheart, Betty Billmeyer, manager, Linda Repp, assistant manager. Not pictured—Penney Webb, Venetia Clements, Betty Jean Washack, Kathy Skinner, Charlotte Blodgett, Janet McClumpho.

BOYS' TENNIS

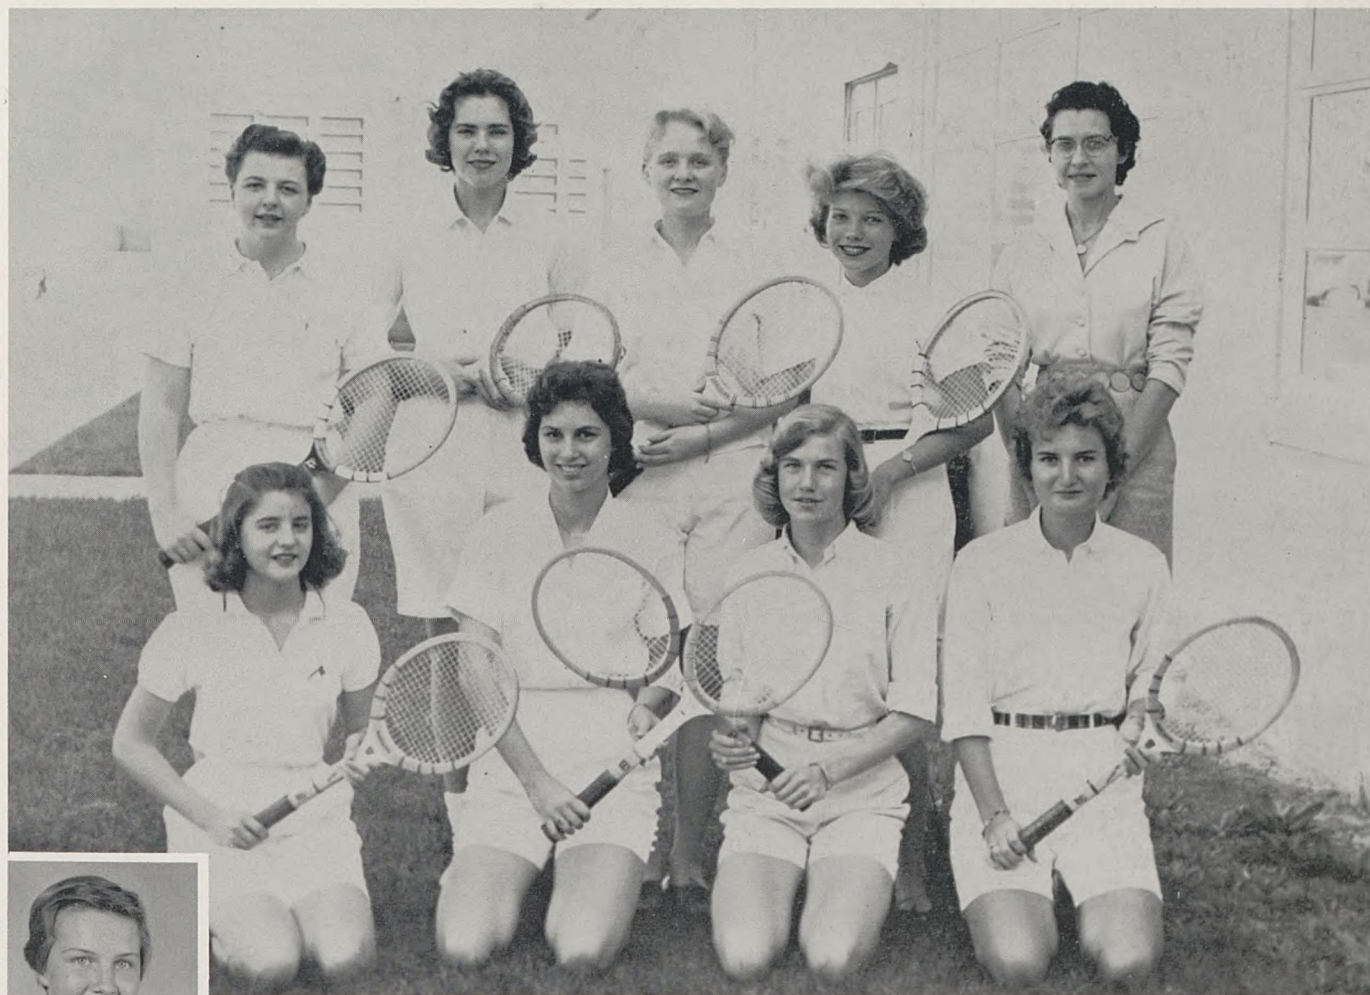

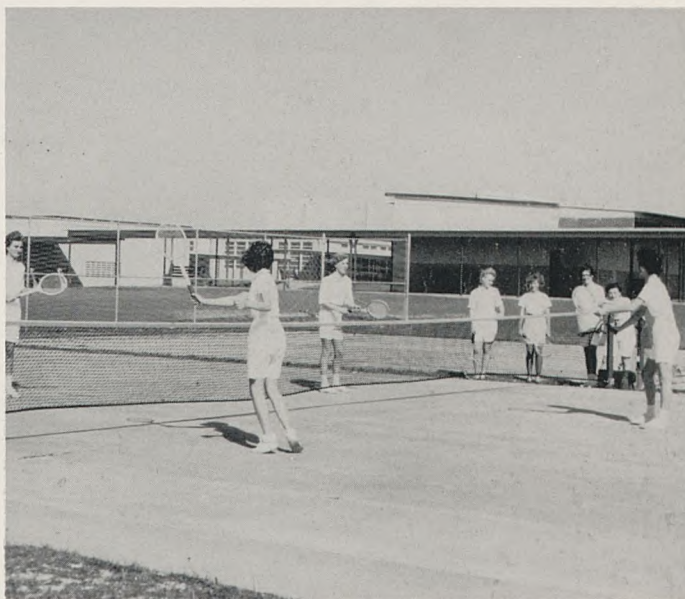

FIRST ROW—Bill Slautterback, Gerry Slautterback, Larry Housel, Randy Cameron. SECOND ROW—Earle Brown, Advisor, Neal Storrs, Charlie Robinson, Barry McCullough, Dan Sims.

Game, set, and match!—and another C.H.S. opponent falls before the tennis team's accurate and fast shooting. The team is out to beat last year's season record of 5-2 which placed them third in the conference.

GIRLS' TENNIS

The girls' tennis team was reorganized last year to represent C.H.S. in all Western Conference games. Each member is constantly practicing in order to reach the much desired first place on the challenge ladder.

FIRST ROW—Maedell Goodson (Captain), Nancy Collman (Co-Captain), Rone Dalzell, Linda Emerson.
SECOND ROW—Mary Lou Murphy, Cindy Young, Betty Cunningham, Harriet Hutchison, Miss Jean Franks, Sponsor. Insert—Jane Puckett.

BASEBALL

FIRST ROW—Jack Hockensmith, Mike Dulligan, Mike Waddey, John Karay, Frank Oktavec, Alan Flandereau, Dick Rogero. SECOND ROW—Coach Mason, Coach Wells, Don Roach, Robert Black, Brian Bibeau, Co-Captain, Jerry Birge, Captain, Eddie Brown, John Prather, Ted Hurd, Manager.

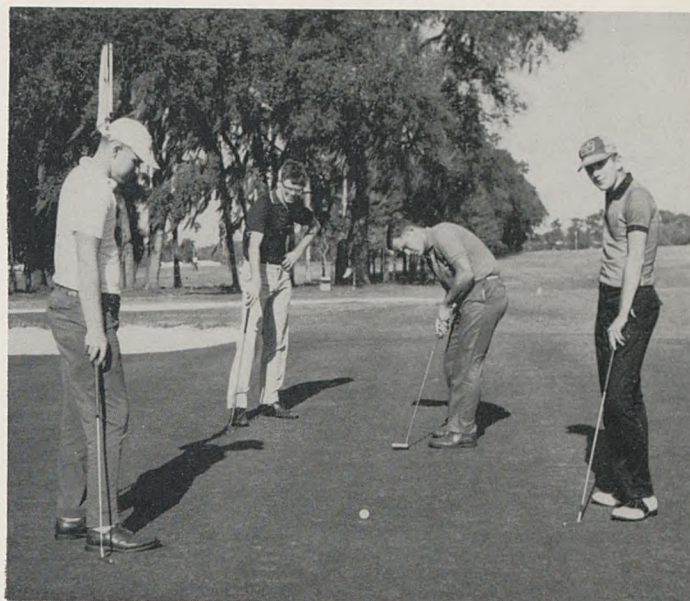

Cracking bats heralded the beginning of the 1960 baseball season. The Tornadoes really made a storm, as the balls flew and our runners came whizzing in. Then, taking the field, our boys managed to keep the bases tenantless.

Everyone who attended got a thrill out of watching our boys play. Spectators enjoyed fast action at all the games, which were played in the spirit of true sportsmanship.

In 1959, the team had a 11-6-0 season, and placed second in the Conference. Gene Barbour made All-Conference and George Petzold made second team All-Conference.

GOLF

Last year's golf team was undefeated in season play and ended up third in the conference. K i m Chappel, an outstanding member of last year's team, finished third in the state golf championship.

Left to Right—Bob Blair, Mike Walsh, Gordon McMeeking, Ronnie Crown. Not pictured—Kim Chappel.

GIRLS' INTRAMURALS

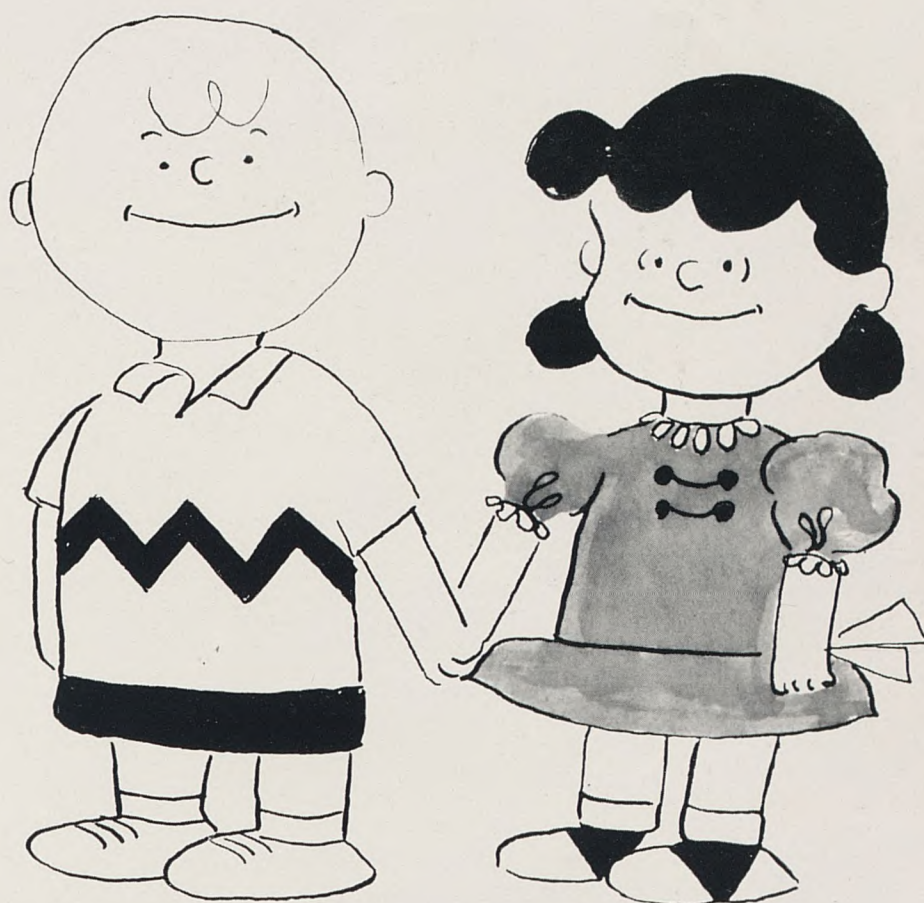

Jo Ann Martin, Judy Donnelly, Meredith Taylor, Charlotte Harrill, Judith Moore, Shirley Kimrey, Louise Walker, Frances Johnson, Susan Rogers, Linda Fight, Peggy Chase. ROW TWO—Grace Watkins, Linda Shaw, Susan Woodard, Judie Gauslin, Janet Bansemer, Leslie Burkhart, Melba Guy, Mary Lou Blackert, Mary Shackton, Toni Jones, Jan Michaud. ROW THREE—Libby Colvin, Charlotte Zubler, Phyllis Blair, Marlene Mason, Alice Marschall, Shirley Bowes, Kathy Ladd, Sandra Roth, Barbara Jenkin.

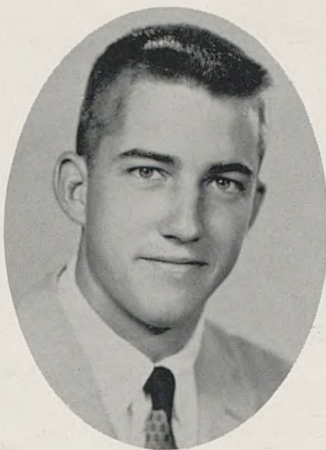

Boys aren't the only ones who like to participate in competitive sports! Athletic-minded C.H.S. girls who join intramurals participate with vigor and have a lot of fun at the same time.

ROW ONE—Ginny Portervint, Caroline Gram, Maureen Green, Maureen Brady, Nancy Smith, Kay Brown, Linda Patterson, Penny Moody, Ellis Scheffy. ROW TWO—Donnette Hurd, Betty Ann Wilkin, Janet Townsend, Mary Lou Murphy, Michelle Goffe, Nancy Blair, Dianne Lawrence, Diane Wilson, Pat Aldrich, Carol Rinehart, Marty Allen, Judy Hemerick. ROW THREE—Sara Booth, Sue MacQueen, Rebecca Blankenship, Betty Sain, Marie Massieu, Penny Wood, Linda Coles, Judy Stemmler, Barbara Lindsey, Linda Compton, Marsha Sieglar, Carey Bobo, Camille Harris.

1959 HOMECOMING

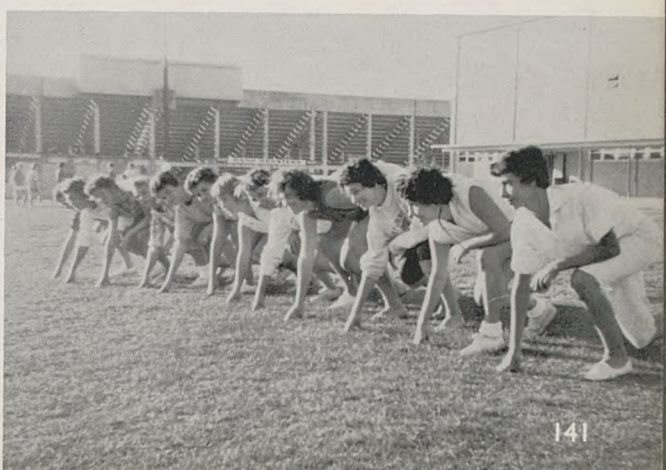

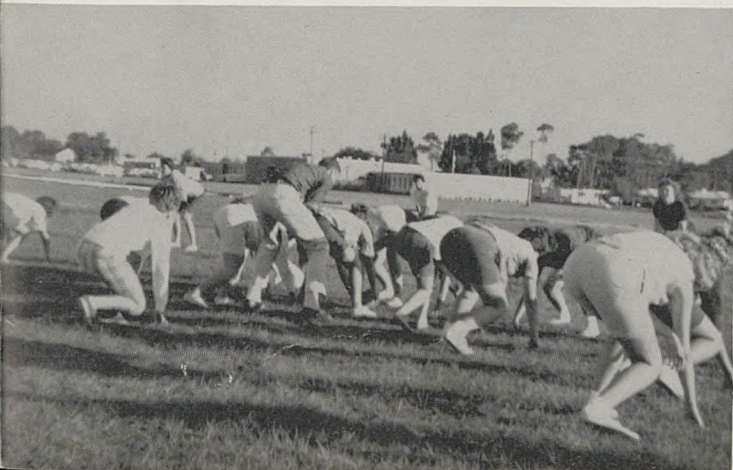

Homecoming 1959 was a h u g e success. School spirit was aroused by the posters that were hung along the halls. Conversation was turned to the victory-to-be over the Manatee Hurricanes. The highlight of the Tornado Tales was reached with the crowning of Hebe

Jane Sanders as the Homecoming Queen. At the bonfire held after the crowning, an effigy of Manatee was burned. Many participated in the parade staged the day of the game. To bring a perfect ending the Tornadoes massacred the Hurricanes by a score of 26 to 6.

Outstanding is the only way to describe this year's TOP TEN. No matter which quality is sought—scholarship, honor, loyalty, leadership, friendliness, or helpfulness—the students selected for this high honor possess each. They are chosen not only for their participation in school activities, but for community service as well. The faculty has made a fine choice in naming these seniors as the Top Ten for 1960.

THE ALMA MATER

The Crimson and the Grey we'll wear,
Aloft the flag we'll raise.
We'll sound our shouts and sing our songs,
For old Clearwater's praise.

Then hail to the Crimson and Grey, boys,
The colors we love so well,
Thy loyal sons shall salute thee,
As thy folds on the breezes swell.

Then hail to the Crimson and Grey, girls,
Forever and a day,
May the flag of old Clearwater live,
The Crimson and the Grey.

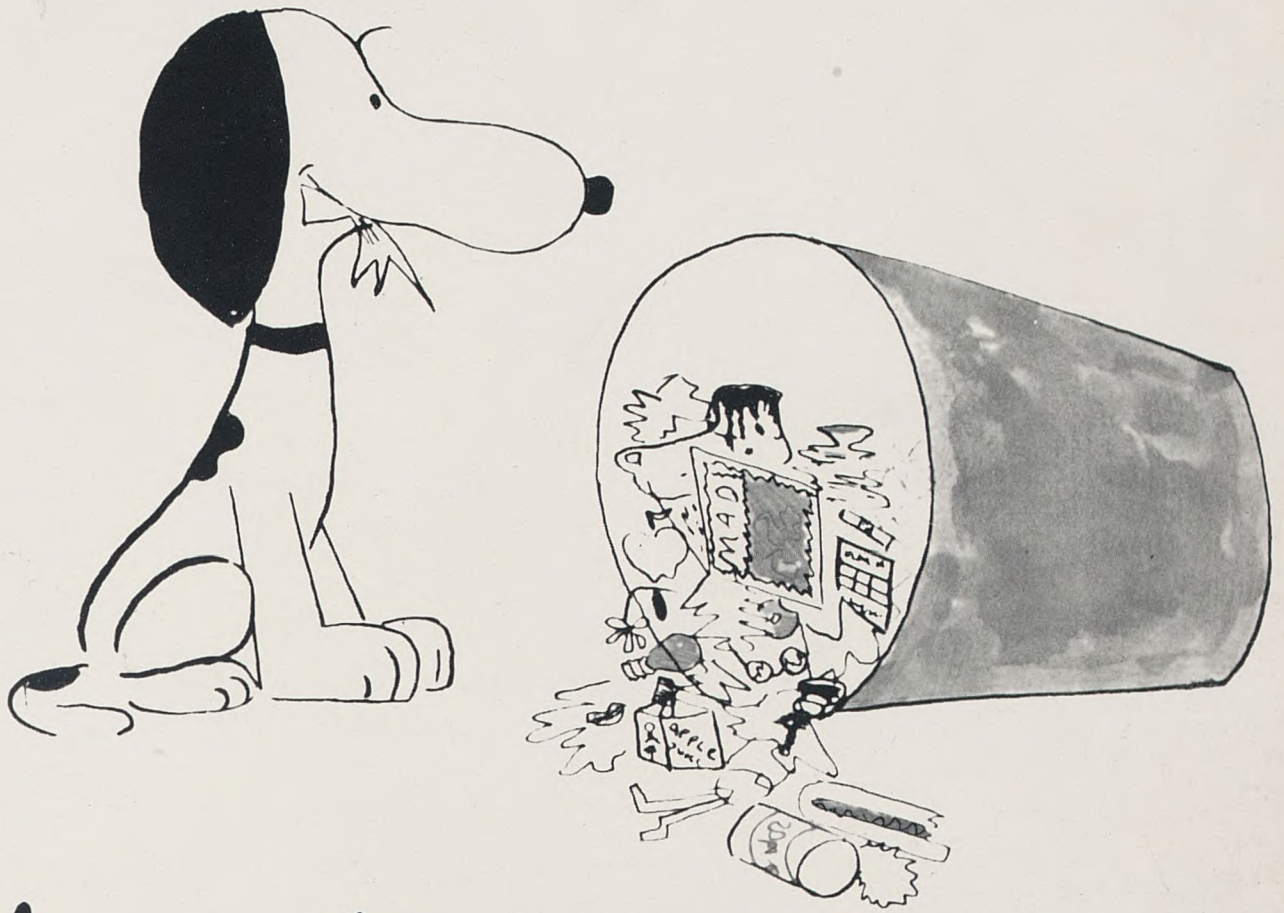

TORNADO CREED

We, the students of C.H.S., realize that we have certain obligations to our parents, our school, and the community. In order to improve our citizenship, we must accept certain standards to govern our thoughts and our deeds.

As a good C.H.S. student, I will strive:

1. To attend the church of my choice regularly
2. To abstain from drinking and profanity
3. To obey and respect my parents and teachers
4. To drive with caution and consideration at all times
5. To enter school activities with enthusiasm and always abide by the rules
6. To achieve a good scholastic standing by placing proper emphasis on schoolwork
7. To regard honesty as the best policy both scholastically and socially
8. To dress neatly and appropriately for every occasion
9. To preserve the beauty and tradition of my school by respecting the rights and property of others.
